

Windsor Essex Janitorial Inc.

To Whom It May Concern

We are currently using Windsor Essex Janitorial for the cleaning of our office and have been for the past year. Over that past year we have found Ron and his staff to be concerned with our needs in regard to keeping our professional office clean. We trust Ron to keep the confidentiality of our clients, as this is imperative to our business.

We have and will continue to recommend Windsor Essex Janitorial to our other offices in Windsor Essex and to other businesses.

Yours truly,

Gillian Luciw
