OCTOBER 2007

We are a growing and busy Anglican Parish with nearly 300 families. That means that each week there are a variety of diverse activities at our church. We have the great comfort of knowing that because of Ron and Windsor-Essex Janitorial when people come through our doors, things are clean and fresh.

A visiting Clergy was heard to say a short time ago that ours was "the freshest church washroom he has seen in a long time." We are proud to have this fine group providing such a valuable service to us. This company has always been flexible with our changing schedule and have come to our aid when we needed it most. This has sometimes meant that this company has been here at some very unusual hours and have never complained about it.

The other gift that we have been given in Ron is his kindness to go beyond what we expect him to do. There are times that parishioners have left things out that should be put away, etc – Ron always works around these things and in many cases as assisted even in repairing things that needed it. Ron has notified us well in advance of our need to order new supplies and has been keen to make us away of facility issues as he has seen them arise. In at least one case, we could have had serious problems had he not be as kind as he was to call and let me know of a leak that he had discovered. In short, these people really care and take the utmost pride in their work.

When people come to church here at 8 or 10:30 AM on Sunday mornings, or when they come for any of the many events that we have throughout the week, I have confidence that they are entering a fresh and clean environment. In a day in age where people are church shopping, and where the facility is a large part of their decision making process, having a caring and competent cleaner is crucial. We have that asset!

Thank you so very much Windsor Essex Janitorial for your diligence and competence and for caring about the church, not just for cleaning it! I am proud to offer this testimonial on behalf of the people of St. Mark's by-the-Lake Church.

Shalom

The Reverend Kevin George B.Ed, M. Div.
Rector
